Br-lux+ Series

Features:

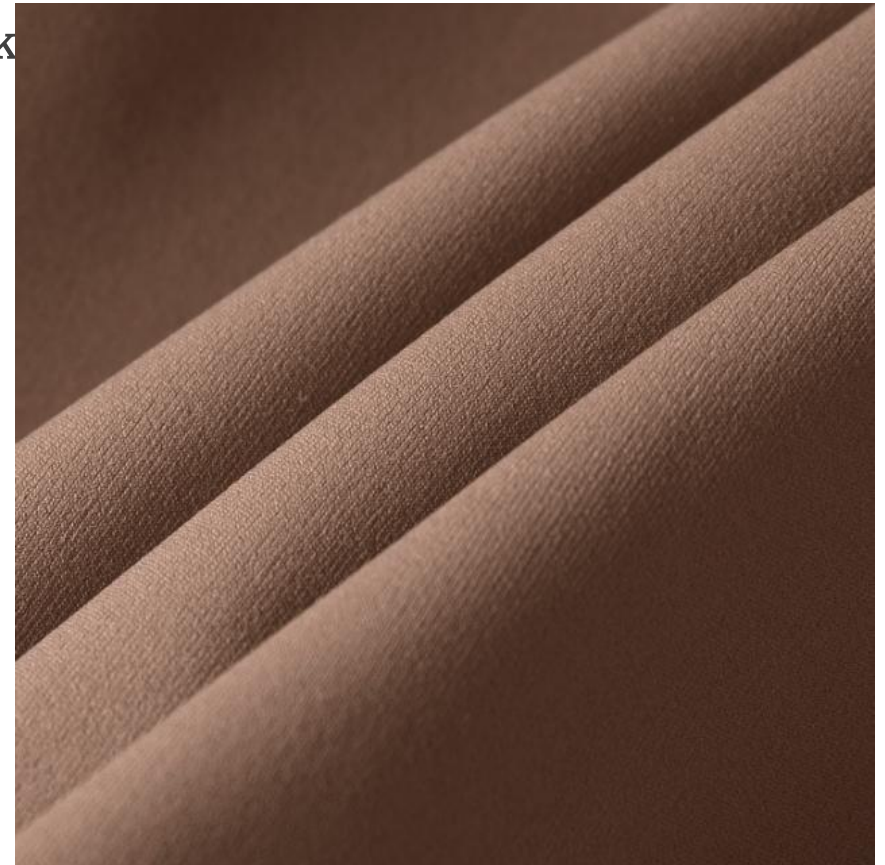

This fabric boasts a thicker and denser weight, creating an impermeable shield that provides medium to high-strength support. The double-sided brocade not only offers a robust support system but also ensures a level of comfort that empowers you to push your limits.

Ingredients: 75% Nylon 25% Spandex

Gram weight: 240 Grams

Suitable for sports scenes: yoga, fitness, boxing, dance, warm-up,

hik

Br-lux Series

Features:

Its dense yet breathable composition ensures a comfortable wear, while the supportive effect makes it ideal for various activities.

Indulge in the luxurious feel of our fabric—smooth to the touch, dense, and resistant to wear. Designed to provide a certain level of support, this fabric stands out with its unique versatility, bridging the gap between warm-up jogging and yoga.

Ingredients: 75% Nylon 25% Spandex

Gram weight: 220 Grams

Suitable for sports scenes: yoga, fitness, boxing, dance, warm-up, hiking, leisure

Full Power Series

Features:

Crafted with precision and inspired by the excellence of lululemon's Full On-Luxtreme series, our fabric is meticulously developed using the same imported PA66 yarn and advanced weaving process. Engineered for peak performance, this fabric boasts excellent perspiration management, four-sided elasticity, superior support, and coverage.

Ingredients: 69%PA66 Nylon 31% Spandex

Gram weight: 225 Grams

Suitable for sports scenes: yoga, fitness, boxing, dance, warm-up, hiking, leisure

Nuls Power Series

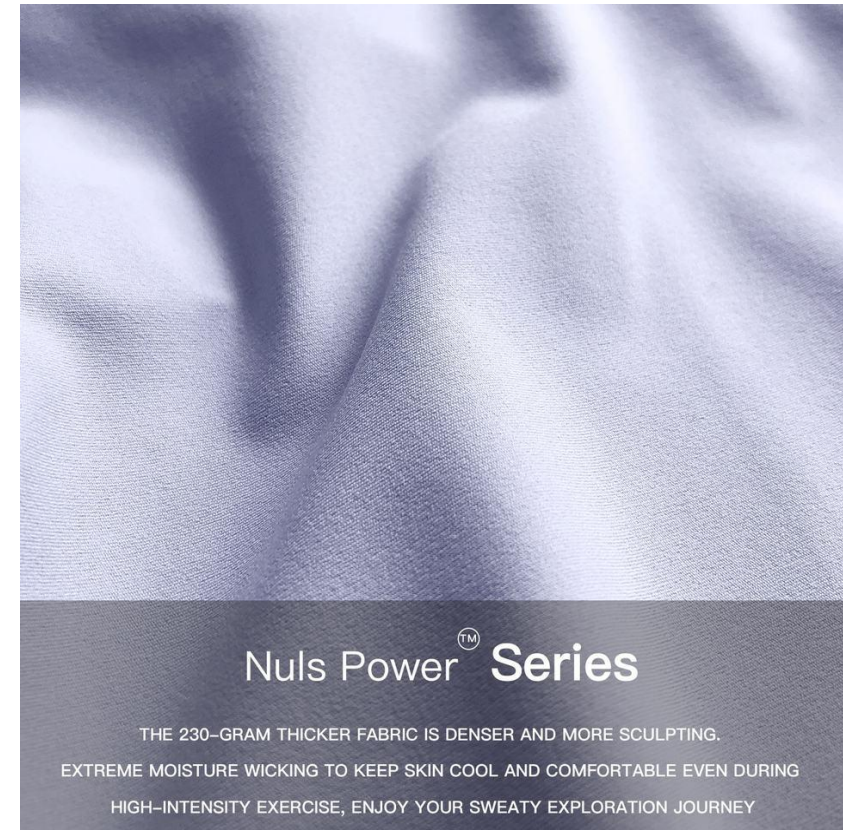

Features:

Engineered for performance, it offers exceptional moisture-wicking capabilities, ensuring your skin stays cool and comfortable, even during the most intense workouts. It provides enhanced support and structure, making it the perfect companion for high-intensity exercises.

Ingredients: 67%Nylon 33%Spandex

Gram weight: 230 Grams

Suitable for sports scenes: yoga, fitness, boxing, dance, warm-up, hiking, leisure

Shark Series

Features:

Introducing our Shark Skin fabric- a masterpiece crafted with precision using 50 knitting and 10D yarn. Thinner than a strand of hair, this fabric boasts a luxurious thickness that provides a substantial hand feel, ensuring a premium and comfortable touch. Not just limited to workouts, this fabric doubles as leggings with a shaping and butt-lifting feature.

Ingredients: 49%Nylon 51%Spandex
Gram weight: 190 Grams

Suitable for sports scenes: yoga, fitness, boxing, dance, warm-up, hiking, leisure
